Behaviour Management

We promote a culture of **care and protection** of students, and we prioritise this when managing behaviour and dealing with behaviour incidents.

At Kohimarama School we promote positive student behaviour and ► **de-escalation** of challenging behaviour. We accept that challenging behaviour is a result of student distress, and respond accordingly. For more information, see **Reducing Student Distress**.

We also expect our students, staff, and the wider school community to maintain high standards of **conduct**, and for visitors, parents, and whānau to model positive behaviour for students. **Bullying and harassment** within the school community is taken seriously, and is dealt with through our behaviour management strategies. We advise our community of procedures to follow if they have any **concerns or complaints**.

Behaviour management guidelines

At Kohimarama School all staff are made aware of the following behaviour management guidelines.

- We make a clear statement of acceptable and unacceptable behaviour known to all staff, parents/caregivers, and students.
- We communicate to all members of the school the responsibility to recognise bullying, harassment, and inappropriate behaviour, and how to take appropriate action when necessary.
- Staff (including relievers, coaches, tutors, etc.) maintain positive learning environments and relationships within the school community.
- We consistently apply our behaviour management strategies in all cases of unacceptable behaviour, and try to maintain the dignity of the student at all times.
- Staff manage challenging behaviour appropriately and use de-escalation techniques if student behaviour poses a danger to themselves or others. Physical restraint may only be used by teachers or authorised staff members to prevent imminent harm, and only according to our **physical restraint guidelines**.
- We action procedures outlined by the Ministry of Education for **stand-down, suspension, or exclusion** in cases of extreme misconduct, continual disobedience, and/or behaviour risking serious harm.
- We work with parents/caregivers, staff, and outside agencies if necessary, to plan individual programmes and strategies for students with particular behavioural needs. These students may be managed outside our behaviour management strategies.
- ► **Seclusion** and corporal punishment is prohibited.

See our **Behaviour Management plan**  for more information.

Parent/Caregiver concerns

If a parent/caregiver has concerns about incidents between students, staff, or other parents/caregivers, they should contact our school directly to voice their concerns through the appropriate channels. We do not encourage parents/caregivers to approach students, their

whānau, or other members of the school community to privately discuss behaviour issues. This also applies to incidents that occur out of school time or off school grounds but when students are still connected with the school e.g. at camp or on school trips, and while wearing school uniform, or travelling to and from school.

Concerns involving relatives of staff or board members

If a behaviour issue or a concern arises at school that involves the child or relative of a currently employed staff or board member and another student or group of students, the staff or board member is not involved in its resolution. A delegated staff member with no relationship to the student or relative manages the incident.
