Collaborative Learning

Children at Kohimarama School are working towards taking more control of their learning.

In Cowley, students get the opportunity to work with various teachers for different purposes over the year. They get used to working in different learning spaces and with different learning styles. Year 2s will tend to move around with Year 2s, and Year 3s will tend to work with Year 3s.

Homework

Reading logs

- 5 comments a week, children can write comments with their carer
-

Reading material: group boxes & levels, group readers, journals, Home Library. Independent Reading in Year 3 concentrates on skill proficiency and as such encourage your child to read a wide range of genre at a variety of levels.

Mathletics

10 minutes per night - 4 activities completed each week
- will be starting in the next few weeks

All Reading Logs to be handed in on Monday and new Mathletics tasks will be set each Monday.

Communication

School newsletter

- This is available via email and on our website every Wednesday. A schoolzine App. is available if you wish to receive messages on your phone.

Arranging a meeting

- Contact your class teacher via email to make a specific time. (Due to meetings we are not available on Monday or Wednesday afternoons)
- Times of response – emails will be replied to within 24 hours.

Please come and meet with us if you have any queries or questions as emails can often be misconstrued.

- P.E gear

Needed Mondays for Team Sport & another day during the week for class P.E. Housepoints awarded for wearing house tshirt on non assembly weeks. If your child for some reason cannot participate in P.E or fitness you need to advise me of this via a note or email.

Parent Help Needed
