

MITEY

We have been learning about our identity and each other's strengths and qualities. We have examined our feelings and practised tools to help us regulate them. The Zones of Regulation help us to share our feelings. We will be looking at our place and role in our families before considering how we can serve others by being helpful and considerate. We have a beach clean-up planned for April! Watch this space.

'Enter to learn, leave to serve' is our school motto

Cowley Newsletter

Mid-Term 1 2025

MATHS

We have been focusing on addition/subtraction, place value of numbers to 1000 and statistics.

Our Athletics program is underway to support our in-class learning. The children love receiving their bronze certificates which recognise their effort.

LITERACY

Our Code and Reading lessons are continuing to strengthen our understanding of phonics, decoding and encoding, as well as working on skills such as summarising text.

TEAM SPORT

Sport has included relays, problem solving, stamina, co-operation, ball skills, and practising various locomotive skills. This has given students a chance to work with all the Cowley teachers.

UNIFORM

- Before purchasing your winter uniform, please check our Uniform expectations on the school website.
- Thank you.
